A. REISSUANCE AND PURPOSE

This Instruction, under reference (a) , reissues reference (b) to provide for the collection of command and non-command sponsored military dependents and increases the frequency of reporting all categories of dependents. It prescribes uniform reporting requirements designed to provide responsible officials in the Office of the Secretary of Defense with a central source of data for use in formulating and evaluating dependent' s programs.

B. APPLICABILITY

This Instruction applies to the Office of the Secretary of Defense (OSD) , the Military Departments, the Organization of the Joint Chiefs of Staff (OJCS), the Unified and Specified Commands, the Inspector General of the Department of Defense (IG, DoD) , the Uniformed Services University of the Health Sciences (USUHS), the Defense Agencies other than the Defense Intelligence Agency (DIA) and the National Security Agency (NSA) , and DoD Field Activities (hereafter referred to collectively as "DoD Components") . The term "Military Services , " as used herein, refers to the Army, Navy, Air Force , and Marine Corps.

C. DEFINITIONS

The terms "Dependents, " "Command Sponsored Dependents, " and "Non-Command Sponsored Dependents, " in accordance with reference (c), are defined in enclosure 1.

D. REPORTS

1. Genera 1. Quarterly reports covering dependents shall be submitted to the Directorate for Information Operations and Reports (DIOR) , Washington Headquarters Services, 1215 Jefferson Davis Highway, Suite 1204, Arlington, Virginia 22202-4302. The reports shall be as of March 31, June 30, September 30, and December 31 each year and be submitted within 50 days following the "as of" date of *each* report. They shall include information

specified on **DD Form 2498**, "Report of Dependents of Active Duty Military Personnel and Dependents of U.S. Citizen Civilian Employees" (enclosure 2), and **Format A** (enclosure 3) following instructions outlined in subsection D.2. and 3., below.

2. Reporting Instructions

a. Military Departments

(1) Reports (DD Form 2498 and **Format A**) shall include data concerning dependents of all active duty officer and enlisted military personnel assigned and chargeable to the "active forces" under their approved military manpower programs, including dependents of **personnel** assigned to the OSD, the **OJCS**, the Defense Agencies, and to Government Agencies outside the Department of Defense. The Department of the Navy shall provide separate reports for dependents of Navy and Marine Corps active duty military personnel.

(2) Data on dependents of civilian employees (**DD Form 2498**) shall be limited to dependents of U.S. citizen civilian employees:

(a) Paid from appropriated funds.

(b) Located in Alaska, **Hawaii**, U.S. territories and foreign countries, except dependents of U.S. citizen employees who are permanent residents of these States or territories.

(3) DoD standard data element "Countries of the World," as provided in DoD 5000.12-11 (reference (d)), shall be used in listing foreign countries (**DD Form 2498**).

(4) The Military Departments shall provide separate reports on DoD Dependent Schools employees who are included in the Military Departments personnel reporting systems.

b. DoD Components. The Directors of Defense Components shall provide data for overseas dependents of U.S. citizen civilian employees under their respective personnel reporting jurisdictions in accordance with instructions included in subparagraphs **D.2.a.(2)** and (3), above. Washington Headquarters Services (**WHS**), Directorate for **Personnel** and Security, shall report for all directly-serviced DoD Field Activities. Reporting of DoD Dependent Schools shall be provided by the cognizant Military Departments as a part of civilian personnel servicing agreements.

3. Method of Reporting. Dependents of active duty military personnel shall be displayed by command and non-command sponsored categories as shown on **DD Form 2498** (enclosure 2). Significant changes from one quarter to the next should be explained in the cover memorandum accompanying the input. Because of the pressing need for accurate "location data" information, the number and type of dependents located outside the continental United States (CONUS) shall be based on ACTUAL quarterly counts. However, if the Component has a master file that accurately reflects the number and location of dependents, then data from this source may be used. The following exceptions may be employed:

a. In the interest of economy, Army ☐ military dependents who are permanent residents of Alaska, Hawaii, major U.S. territories, and the Philippines may be estimated from samples; and

b. The number and type of active duty military dependents located in COWS may also be derived by either of the following methods:

(1) By estimates based on samples, or

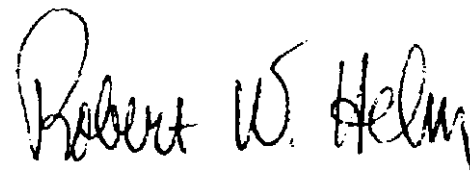

(2) By subtracting data on dependents located outside this area from worldwide figures based on military personnel individual machine records.

E. INFORMATION REQUIREMENTS

The reporting requirements of this Instruction have been assigned Report Control Symbol DD-COMP(Q)1052.

F. EFFECTIVE DATE

This Instruction is effective immediately.
